

CANSTRUCTION APRIL 2012

Annual Capital Region Design/Build Competition

CALL FOR ENTRIES

Think you have what it takes to design and build a structure made of nothing more than canned food, ingenuity, and luck? Enter today. Fifteen teams will be accepted to this years exhibit!

It starts with one can. To feed the hungry. To lift the spirit. To change the world. Canstruction®, a charity committed to ending hunger, is using 'one can' as a catalyst for change. In 2010, the Food Pantries for the Capital District served 2.4 million meals to local families in need. The Annual Capital Region Canstruction® Competition partnership with the Food Pantries spotlights the hunger and needs of our community while showcasing the region's best and brightest of the building industry.

Get creative to help combat hunger. One can.
